EN Using Your Soundcore Flare

1. Turn on / off

a. Bluetooth mode

Flashing White

Bluetooth Pairing Mode

Solid White

Connected to a device

Enter True Wireless Stereo Pairing Mode / Disconnect True Wireless Stereo

Enter True Wireless Stereo Pairing Mode / Disconnect True Wireless Stereo

Double Flashing White

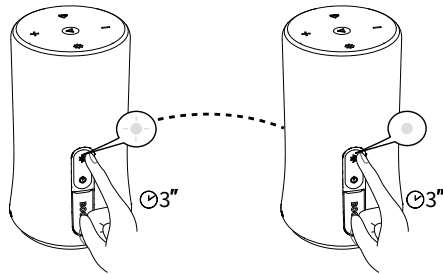

True Wireless Stereo Pairing Mode

Solid White

Connected to True Wireless Stereo

Note: Once connected, the status indicator will stay white for 5 seconds.

With True Wireless Stereo technology, you can pair your Soundcore Flare with another Bluetooth speaker (Soundcore Flare) to explore the best sound effects with left and right sound channels separated on both speakers.

Play / Pause

Play Next Song

Play Previous Song

Press to turn Bass Up on and off

Press and hold for 2 seconds to reset EQ settings

Answer Call / End Call

Reject Call / Switch between a call on hold and an active call

End current call and answer incoming call / End current call and switch to call on hold

Switch audio source between Speaker and Phone

Put current call on hold and answer incoming call

Activate Siri / Other Voice Control Software

Volume Up / Down

Solid White

On a Call

Flashing White

Incoming Call

Press and hold for 2 seconds to turn Light Effects Off

Press to turn Light Effects On

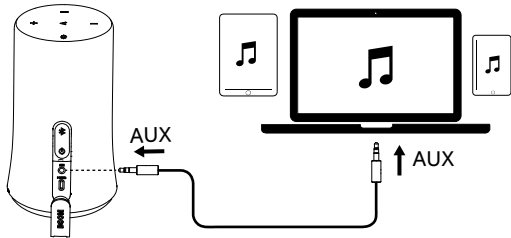

Press once to switch between Light Effect modes

When turned on, Soundcore Flare will automatically connect to the last connected device if available. If not, press the Bluetooth pairing button to activate pairing mode.

To pair a different device, press the Bluetooth button to re-enter pairing mode. Then repeat the pairing steps.

Having connection problems? Remove Soundcore Flare from your device's Bluetooth history and ensure it's less than 3 feet away. Then try pairing again. To get the best sound quality, make sure there is a clear line of sight between the connected device and your speaker.

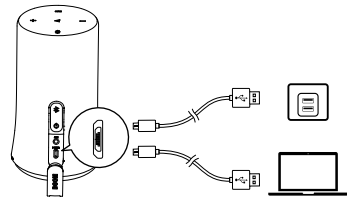

* SoundLine AUX cable sold separately.

Plugging in an audio cable will automatically switch to AUX mode. When using AUX mode, control audio playback via the connected device.

Charging your Soundcore Flare
