## Introduction

The Sunvivi Magnifique Dual Pot Buffet Food Warmer is a useful addition to any kitchen. With its dual pot design, this new appliance redefines convenience by letting you cook two meals at the same time, saving you time and effort. This buffet food warmer is made of long-lasting stainless steel and combines style with usefulness to make your meal more elegant. With its temperature control that you can change, it gives you a range of heating options to fit your needs. With clear lids, you can easily keep an eye on your food and make sure it always turns out perfectly. The cool-touch handles on these pots make sure that they can be handled safely even when they are hot. The user experience is improved by indicator lights that let you know about the power and heating state. With a power cord that can be easily taken off and stored, this food warmer is the epitome of usefulness. The Sunvivi Magnifique Dual Pot Buffet Food Warmer is the best thing to have when you're cooking, whether you're having a family meal or a dinner party.

- **Capacity:** 2.5 Quarts
- **Wattage:** 170 watts
- **Item Weight:** 7 Pounds
- **Is Dishwasher Safe:** No
- **Voltage:** 120 Volts (AC)
- **Shape:** Round
- **Pattern:** Modern
- **Control Method:** Touch
- **Control Type:** Knob
- **Number of Settings:** 3
- **Controller Type:** Push Button
- **Department:** Women's
- **Item Model Number:** Magnifique

## Package Includes

- Sunvivi Magnifique Dual Pot Buffet Food Warmer
- Two stainless steel pots with lids
- Adjustable temperature control unit
- User manual and instructions for setup and operation

## Features

- **Dual Pot Design:** The Sunvivi Magnifique Dual Pot Buffet Food Warmer features a dual pot design, allowing you to cook two different dishes simultaneously. Whether you're preparing meals for yourself, your family, or guests, this feature streamlines meal preparation, eliminating the need for multiple appliances and reducing cooking time.
- **Adjustable Temperature Control:** Customize your cooking experience with adjustable temperature control. Each crock features three settings: high, low, and warm. This enables precise temperature adjustment based on the dish you're preparing, ensuring optimal cooking results without compromising taste or texture.

Temperature Setting			
Time	Low (°F)	High (°F)	Warm (°F)
0	65	65	64
1	95	100	
2	130	140	
3	155	165	
4	170	180	145
5	180	190	
6	185	195	

- **Stainless Steel Construction:** Crafted from durable stainless steel, this buffet food warmer is built to last. Not only does stainless steel offer exceptional durability, but it also facilitates easy cleaning, making maintenance a breeze.
- **Transparent Lids:** The buffet food warmer is equipped with transparent lids, allowing for easy monitoring of your dishes as they cook. Keep an eye on your food's progress without having to lift the lids, ensuring optimal cooking results.
- **Cool-Touch Handles:** Safety is paramount, especially in the kitchen. The cool-touch handles on the Sunvivi Magnifique Dual Pot Buffet Food Warmer ensure safe handling, even when the pots are hot. Move and transport your dishes with confidence, knowing that you're protected from burns.
- **Indicator Lights:** Stay informed about the status of your buffet food warmer with convenient indicator lights. These lights provide visual cues for power and heating status, keeping you informed throughout the cooking process.
- **Detachable Power Cord:** Enjoy added convenience with the detachable power cord, allowing for easy storage when not in use. Keep your kitchen clutter-free and organized, thanks to this thoughtful feature.
- **Cooking 2 Dishes at Once:** Whether you're cooking for a small family dinner or entertaining a large gathering, the dual pot design enables you to cook two dishes simultaneously, saving time and effort in the kitchen.
- **Overheat Protection:** Each pot is equipped with its own heating element and three temperature settings to prevent overheating. This ensures safe and efficient cooking, preserving the flavor and texture of your dishes without the risk of moisture loss.
- **Easy to Clean:** With its minimal mess design and dishwasher-safe ceramic pots and glass lids, cleanup is a

breeze. The stainless steel exterior can be easily wiped clean with a damp cloth, ensuring hassle-free maintenance.

- **Perfect for Entertaining:** Whether it's game nights, parties, or gatherings, this buffet food warmer is the perfect addition to your entertaining arsenal. The extended temperature range allows for versatile cooking options, ensuring your guests are treated to delicious, perfectly heated dishes.
- **Hassle-Free Cooking Introduction:** Whether you're a novice cook or a seasoned chef, the Sunvivi Magnifique Dual Pot Buffet Food Warmer offers a hassle-free cooking experience. It simplifies meal preparation, making it ideal for busy individuals, adventurous cooks, or those preparing for special occasions. Enjoy delicious meals with ease, thanks to this versatile kitchen appliance.

## Usage

1. Place the Sunvivi Magnifique Dual Pot Buffet Food Warmer on a flat, stable surface.
2. Insert the desired dishes into the stainless steel pots and cover them with the provided lids.
3. Plug in the food warmer and adjust the temperature control to your desired setting.
4. Monitor the indicator lights to ensure that the unit is powered on and heating properly.
5. Once the dishes reach the desired serving temperature, they are ready to be enjoyed.

## Care and Maintenance

1. Always unplug the food warmer before cleaning.
2. Allow the unit to cool completely before cleaning.
3. Wash the stainless steel pots and lids with warm, soapy water and a non-abrasive sponge or cloth.
4. Wipe down the exterior of the food warmer with a damp cloth.
5. Dry all components thoroughly before storing.
6. Store the food warmer in a cool, dry place when not in use.

## Troubleshooting

Issue	Possible Cause	Solution
Food not heating evenly	Uneven placement of pots on the warming surface	Ensure pots are placed evenly on the heating surface
	Incorrect temperature setting	Adjust the temperature control to the appropriate setting
Indicator lights not functioning	Power connection issue	Check the power connection and ensure the unit is properly plugged in

Issue	Possible Cause	Solution
	Malfunctioning indicator light	Contact Sunvivi customer support for assistance
Food warmer overheating	Obstruction around vents	Ensure vents are clear for proper ventilation
	Inadequate ventilation	Allow for proper airflow around the food warmer
	High ambient temperature	Move the food warmer to a cooler location or lower the temperature setting if possible
	Internal component malfunction	Contact Sunvivi customer support for assistance
Pot handles get hot during operation	Normal operation	The pot handles may become warm during use; use caution when handling
Food sticking to pots	Improper cleaning	Ensure pots are thoroughly cleaned after each use; consider using non-stick cooking spray
	High cooking temperature	Lower the cooking temperature or use a lower setting to prevent sticking
	Pot material quality	Consider using higher-quality pots or non-stick cookware
The food warmer not powering on	Power cord issue	Ensure the power cord is securely connected and not damaged
